Getting married at the Abbazia di Spineto

Tie the knot in a thousand-year-old Abbey, embraced by nature at its most pristine. Sense the energy that the surroundings seem to convey and enjoy the silence that the monks who lived here have passed down through the ages, in a place where time appears to stand still.

The wholesome goodness of this territory – at the edge of a UNESCO World Heritage site in Tuscany – skilfully reflected by our chefs who bring the best out of wonderful, fresh ingredients.

Let yourselves be treated as the guests of honour at your own wedding. Relax and let us see to every last detail as we make the most of this splendid setting to create a magical atmosphere.

Because it is not just a wedding

Countless spaces that seem custom made to take the breath away. The perfect environment for unforgettable memories of a special moment.

The ceremony in the Romanesque church or one of the other stunning outdoor or indoor spaces.

Your reception in one of the Abbey's elegant salons, or the cellars once used by the monks; or, for a wedding with a more rustic feel, in one of the converted farm buildings that look out over the Val d'Orcia.

But also the considerate and attentive hospitality you offer to your guests, with accommodation in the charming rooms of the Abbey or one of the converted farmhouses and buildings around the estate – each with its own, private pool.

Everyone can share in these special, unique surroundings which are dedicated to your special day.

A romantic wedding in our Romanesque church or, for civil cerimonies, the theatre in Sarteano, two of the gems on offer.

Alternatively, if you are looking for a different sort of ceremony, let the Spineto Estate inspire you. It is not uncommon for a couple visiting the estate in search of the perfect venue declare: “This is the place.” We will strive to create the perfect atmosphere in the place you have chosen to tell your loved one, “I do”.

Numerous options from which to choose the best solution for a joyful moment with friends and family.

We can accommodate up to 250 people for cocktail party, and up to 200 diners.

Welcome dinner

Welcome your guests as you would in your own home. Give your event the warmth and intimacy it demands, without compromising on the grandeur of the location.

A welcome dinner in one of the estate's numerous converted farmhouses: beside the pool, by candlelight, sipping good wine late into the night.

Not a secondary thought, but an integral part of the perfect weekend that you can offer to your guests.

Here are a few of our suggestions:

Dine standing up, with a Tuscan buffet featuring fresh porchetta – a roasted pig – in pride of place alongside a wide range of other delicious nibbles.

Accommodation options

The Spineto Estate offers various accommodation options. Your party can enjoy exclusive use of the Abbey building, or stay at the estate's various converted buildings.

Different options for accommodation and length of stay can be combined in line with your requirements.

Many of our guests take advantage of the opportunity and stay for the whole week in one of the houses on the estate (each of which has its own pool).

Staying in a traditional farmhouse is the best, and most authentic way to experience Tuscany: lunch by the pool and aperitifs at sunset.

Our converted outbuildings can be booked without additional services, or with breakfast and/or other catering options included.

Other guests, meanwhile, prefer just to stay for a couple of nights, either side of the wedding, in one of the rooms we reserve for bed & breakfast accommodation.
